 LinkedIn: linkedin.com/in/kunal-dalvi-0b273b2b4  Portfolio Website: kunal-portfolio-js.netlify.app

Technical Skills

Languages and Databases: Python, MySQL, MongoDB, HTML, CSS

Visualization Tools: MS Excel, Power BI, Tableau

Other tools and Libraries: Git, Github, Pandas, Numpy, Flask

Experience

ShadowFox

April 2024 - May 2024

Python Developer Intern [[Certificate](#)]

Remote

- Performed intermediate-level coding in **Python** to contribute various projects and enhance application functionality.
- Implemented **web scraping** techniques to automate data collection processes.
- Conducted comprehensive **Exploratory Data Analysis (EDA)** on the **Superstore dataset**, performing data cleaning, trend analysis, and pattern identification.

Prodigy InfoTech

March 2024 – April 2024

Data Science Intern [[Certificate](#)]

Remote

- Performed data cleaning and **Exploratory Data Analysis (EDA)** on various datasets, including the **Titanic dataset** from Kaggle. Explored relationships between variables and identified patterns and trends.
- Analyzed and **visualized sentiment patterns** in social media data to understand public opinion and attitudes towards specific topics or brands.
- Analyzed **traffic accident data** to identify patterns related to road conditions, weather, and time of day. Visualized accident hotspots and contributing factors.

Personal Projects

Live Stock Analysis | Python, Streamlit, Airbyte, Google Sheets | [[LINK](#)]

- A stock dashboard that provides real-time data, performance charts, and key financial metrics for understanding the financial behavior of companies.

Sales and Customer Dashboard | Tableau, Microsoft Excel | [[LINK](#)]

- A Sales and Customer Dashboard designed to provide deep insights into sales performance and customer behavior. Developed using Tableau, this dashboard offers a user-friendly interface and interactive elements to analyze key metrics and trends.

Zomato Sales Dashboard | PowerBI, Data Analysis, Microsoft Excel | [[LINK](#)]

- A Zomato Power BI dashboard designed to offer deep insights into city performance, user behavior, and overall platform operations. Utilizing data from orders, users, menus, restaurants, and food types, this dashboard provides a comprehensive overview to help make data-driven decisions.

Education

Modern College of Arts, Science and Commerce

June 2020 – May 2023

Bachelor of Science in Computer Science : 8.57 CGPA

Pune, Maharashtra

Kendriya Vidyalaya No.2 AFS

April 2019 – April 2020

Higher Secondary Certificate : 77.8 %

Pune, Maharashtra

Certificates

Accenture Data Analytics Simulation (Forage) [[Certificate](#)]

Intro to Python Programming (Harvard Uni) [[Certificate](#)]

MySQL Certification Test (Sanfoundry) [[Certificate](#)]

Other Information

Languages: English, Hindi, Marathi

Soft Skills: Teamwork, Communication

Hobbies: Music, Video Gaming, Organizing
